## **Riverside Innovation Honoree for May 2012**

**Riverside, California** – On Tues, May 1, Riverside will announce the Innovation Honoree of the Month at the City Council meeting at 6:30 p.m.

As a City of Arts & Innovation it's important to recognize creativity comes in many forms. "The expansion of the already successful Arts Honoree Program to include an Innovation Honoree now truly reflects our identity as a City of Arts and Innovation" said Mayor Ron Loveridge.

Luminex Software, Inc. ("Luminex") was co-founded in Riverside in 1994 by Brian Hawley, Chairman and Chief Technical Officer. Mr. Hawley is a resident of Riverside and one of the founding members of the Riverside Technology CEO Forum. He served as the first chairman of that organization and presided in that roll from 2005-2008.

Luminex develops distinctive data storage products based on proven technologies that tackle the complex challenges of storing, archiving, distributing and protecting data. In 2002 and 2003, Luminex was named to the Deloitte Fast50 list as being one of the fastest growing technology companies in Southern California. In 2003, Luminex was one of the select few named to both the Inc. Magazine Inc. 500 and Deloitte Fast500 as one of the 500 fastest growing companies in the United States. Luminex is headquartered in Riverside, California and has additional development offices in San Diego, California and Beaverton, Oregon.
